FIRST ENDORSEMENT on Officer Candidate **Fname MI. Lname**, USN, ltr
of **dte of OC ltr**

From: Marine Officer Instructor, NROTC Unit, **Your University**
Here

To: Commanding General, Marine Corps Recruiting Command (ON/E)

Via: (1) Commanding Officer, NROTC Unit, **University**
(2) Commander, Naval Services Training Command (NSTC/OD4)
(3) Chief of Naval Operations (Code N131)

SUBJ: REQUEST FOR CROSS-SERVICE COMMISSIONING OF STA-21
CANDIDATE INTO THE UNITED STATES MARINE CORPS

1. Forwarded, recommending approval. Officer Candidate **Lname** has given the decision to apply for transfer from the Navy to the Marine Corps a great deal of thought, and is firm in his conviction. I have had limited observation of OC **Lname**, as he has been in a Navy company during his first year here with the NROTC unit. However, through my conversations with him, I believe his temperament, motivation and desire are better suited to the U. S. Marine Corps.

2. Officer Candidate **Lname's** credentials are outstanding. His current academic performance has earned him a cumulative GPA of 3.34, and he has performed well in the NROTC leadership billets assigned to him. He is Navy-pilot select; he has successfully passed a DODMERB flight physical, scored a 7-8-8 on the ASTB, and will pursue an aviation MOS if selected for USMC. He is in sound physical shape and continues to improve his run time and pull-ups with each successive PFT. He will be prepared for OCS.

3. OC **Lname's** commission as an ensign would no doubt benefit the Navy; however, transferring him to a Marine commissioning track and allowing him to fully realize his goals will have a greater benefit to the Naval Services as a whole. He will make an excellent Marine lieutenant with unlimited potential for future service.

4. If accepted for a cross-service commission, OC **Lname** will need to attend OCS after graduation in **Dte of graduation**, with a recommended OCS class/report date of **OCC-OCC CLASS/DTE OF CLASS**.
